Homemade Chili Seasoning

This homemade chili seasoning has become my go-to whenever we're making a big pot of chili. It's warm, flavorful, and comes together in about two minutes.

Ingredients:

- **2 tablespoons chili powder**
- **2 tablespoons cumin**
- **2 teaspoons paprika**
- **2 teaspoons oregano**
- **1 teaspoon garlic powder**
- **1 teaspoon onion powder**
- **1 teaspoon salt**

Simply stir everything together in a bowl until well combined, then store it in an airtight container.

Two tablespoons of this mix equals one store-bought chili seasoning packet.

If your family likes a little extra kick, toss in a pinch (or two!) of crushed red pepper flakes.
